Douglas R. Jullie 3.0 out of 5 stars It is very complete and thorough for every make. I gave it three stars not for the content but the binding glue is not holding the pages in place and it separated in five different spots since three weeks ago. Other than the very poor binding issue, it is a wonderful book. Saying no will not stop you from seeing Etsy ads, but it may make them less relevant or more repetitive.Please update to the latest version.
